LEESPORT BOROUGH Resolution #240 – 2020

A Resolution amending Resolution #221-17 pertaining to the water rates charged to the customers of the Leesport Borough Water System.

WHEREAS, The Leesport Water Authority now finds it necessary to increase its charges for transportation of drinking water in order to make infrastructure improvements and updates required by DEP,

NOW, THEREFORE, it is hereby resolved that the following water rents, rates and charges are hereby fixed, adopted, established and imposed upon each consumer served or to be served by the Borough Water System, for use thereof, which water rents, rates and charges shall become effective, October 1, 2020, and become effective in the billing on or about January 1. 2021
