Resolution # 262 - 2024

Whereas....when a water customer does not pay their water bill for 30 days, they are mailed a late notice, reminding them their water bill is not paid and is 30 days past due and if not paid by the designated date on the late notice, they will receive a door hanger with the date that they will be disconnected from the water system for non payment of their water bill....

Therefore.... Beginning with the January 1, 2024, billing cycle, there will be a \$10 charge for the mailed late notice and a \$20 charge for the door hanger to offset the expense of the postage and hand delivery of said late notice and door hanger. The \$10 charge for the late notice and the \$20 charge for the door hanger will be placed on their next bill...

This....Resolution approved the 17<sup>th</sup> of January, 2024,
