 Updates for SV Water line grant
 Letter sent to SV School to contribute to cost of water line
 We are preparing the grant application for reimbursement
 for our generators
 We will contact Americold regarding their needed
 additional EDUs
 We are contacting the state regarding the rain water on
 Main Street
 We will contact Entech regarding their resurfacing of
 Gernants Rd
 We have applied for a permit from DEP to operate our
 new chlorine reading system

SOLICITOR **Monthly Report**
RECYCLING **Monthly Report**
 We have contacted WM regarding a yard waste dumpster
 and their hauling to a recycler that reports to DEP

BUILDING AND PROPERTIES-

We are inquiring about purchasing the 2 lots on Main St and the Emery property at the intersection of Water and Shackamaxon Sts.

Our solicitor is preparing a Deed of Dedication for the Emery property and contacting the owner of the lot on Main Street east of the railroad .

We now have a contact for the Frontier property on Main St west of the railroad.

RECREATION

Monthly Report

Discuss playground cameras

We are preparing our list of projects for 2024

We will be sending one of our employees for his pesticide license

We will have a dedicated outlet put in for our cameras

Our men will take training to install and service our new cameras

Our Community Days will be September 6 and 7

**WATER AND MUNICIPAL
AUTHORITY**

Monthly Report

Well Head Protection Ordinance discussion

We are moving along with our LP tanks, generators, French drains, chlorine analyzers, alarm system and RAFA system install

SV water line review

Consider charging \$10 for delinquent notices and \$20 for the door hangers beginning in January 2024

We recently repaired a water main break

ROADS AND LIGHTS-

Monthly Report

We are working on our five year road plan

We had our first snow fall of the season

UNFINISHED BUSINESS

We are working on our Knox Box Ordinance for our fire company

James Emery has again offered the corner of Water and Shackamaxon Sts...

Our solicitor is preparing a Deed of Dedication

Ontelaunee Twp's engineer contacted the borough regarding the reimbursement of their resurfacing Gernants Church Rd for a small

portion owned by the borough (211 x 15 approximately \$4000), we have contacted Ontelaunee Twp to discuss

Our French drains will be dug this week at wells #3, 4, and 5

NEW BUSINESS

We have a resolution for our code enforcement regulations for 2024 to pass

We have a resolution for our utility billing for a fee of \$10 for a late notice and \$20 for a door hanger to pass

Discuss a small generator at well #1 in case of a power failure so well #1 can relay the message from our SCADA system to our other wells

We are applying for a permit from DEP to operate our new chlorine reading system

We have an agreement to pass with the Berks County Appeals Board

We have a quote for our new generators at our wells for yearly maintenance to consider passing

We will need to appoint a new councilperson to fulfill Reimer's term to 2026
